Electronics Recycling

IMPORTANT INFORMATION!

As of January 1, 2015 no one, individual, household or business may dispose of e-waste as trash! The New York State Electronic Equipment Recycling and Reuse Act prohibits electronic waste from being placed in the trash, or at curbside for trash pickup.

In Madison County, e-waste will continue to be handled as it has been in the past. Electronics **other than TV's and computer monitors** can be recycled **FREE OF CHARGE** at LOJO'S Technology on Farrier Ave. in Oneida. TV's and computer monitors can be dropped off at any transfer station for 1 punch.

Please visit the NYS Department of Environmental Conservation's website at http://www.dec.ny.gov/chemical/66872.html or google NYDEC electronic waste disposal for a full list of the types of electronic equipment covered by this law and to learn how to properly manage electronic waste, TV's and computer monitors in an environmentally responsible manner.

If you have any questions, please call the Recycling Hot Line at 1-800-721-2208.

Under the State Law, electronics include:

- Televisions and computer monitors with cathode ray tubes
- Computer towers
- Computer Peripherals (Keyboards, Mice, Fax Machines, Scanners, Printers as well as cables, cord or wiring permanently affixed to products)
- Small Electronic Equipment (VCRs, Digital Video Recorders, DVD Players, Digital Converter Boxes, Cable or Satellite Receivers, Electronic or Video Game Consoles, wireless telephones, Blu-ray disc players, etc.)
- Small Scale Servers, fax machines, photocopiers, etc.
