New York State has eliminated non-medical exemptions for children to receive vaccinations for grades pre-K to 12th grade.

Both houses of the State Legislature have signed the T21 bill; just awaiting the Governor’s signature (which he indicated he would sign). Federal legislation is pending regarding raising the minimum age to 21 to purchase tobacco products nationwide.

The CDC has lowered the threshold for lead poisoning from ten to five (microliters per decaliter). Director Faisst reports that Madison County has approximately 3-5 cases per year. With the new guidelines, it may increase to 30-40 cases. Both nursing and environmental staff work on these cases and additional staff may be needed.
