<b>Abbreviations:</b>		All FCP = entire household consists of free colored persons (designates head of household is not European American)																				
		Head Occu. = Head of Household's Occupation																				
		ag = agriculture																				
		com = commerce																				
		mf = manufacturing																				
		FCP = free colored person																				
<b>Note:</b> At the end of each town, columns were totaled by the enumerator. In several instances, the total for a particular column did not match the <b>clearly marked entries</b> in that column.																						
On p. 111, the column totals are repeated by town. Here, some of the errors in totals were corrected; some were not.
