Notes:																		
Page numbers are those provided by Heritage Quest online census since some of the original page numbers were unreadable.																		
The census enumerators evidently didn't bother to change the PO Address on many pages. For example, the PO Address for <u>all</u> of Smithfield is Lenox.																		
When the enumerators arrived at villages such as Cazenovia, DeRuyter, Canastota, and Chittenango, they began renumbering the Dwellings and Families.																		
Town of Sullivan, p. 537: The enumerator recorded Dwelling No. 215 & Family No. 225 and then changed to No. 116 and 126, continuing this numbering error throughout the remainder of the town.																		
Town of Cazenovia, p. 65: Totals for this page indicate 1 colored male & 1 colored female. There are 2 <u>males</u> on the page b. Arkansas & Virginia, who are poss. African American. No others seem to fit.																		
Town of Madison, p. 432: Totals for this page indicate 2 colored females. There is no one on the page who seems to fit.																		
No African Americans were enumerated in Brookfield or Nelson.
