Madison County helps distribute hand sanitizer to the community

Wampsville, NY – Madison County this past week provided hand sanitizer to several distribution sites throughout the county; today they are announcing additional dates and locations. In the past week, hand sanitizer was distributed to over 1,500 cars. Chairman John M. Becker says that the Madison County Office of Emergency Management, in coordination with the Towns and Villages have set up additional distribution locations across the county to pass out hand sanitizer.

Below are the dates of the hand sanitizer distributions:

- Tuesday, May 5, 2020
 - 10am -12pm: Lincoln
 - Lincoln Town Hall 6886 Tuttle Rd. Canastota, NY 13032
 - 1pm – 3pm: Stockbridge
 - Town Hall/Highway 5314 NY-46, Munnsville, NY 13409
- Wednesday, May 6, 2020
 - 10am – 12pm: Madison
 - Madison School 7303 US-20, Madison, NY 13402
 - 1pm – 3pm: Hamilton
 - Hamilton Highway Garage 7648 Cranston Rd. Hamilton, NY 13346

These times are a guideline as distribution is based on while supplies last. Additional dates and locations will be added, and some products have previously been handed out during the milk distributions in DeRuyter, Lenox, and Eaton as well as given to Cazenovia and Brookfield for other ways of distribution.

“Madison County has been working hard to provide supplies such as hand sanitizer, face masks, surgical gowns and other PPE to our health care providers throughout the COVID-19 pandemic,” said Director of Emergency Management Dan Degear. “We also have been distributing hand sanitizer to essential businesses like grocery stores, restaurants and gas stations. Now we have enough of a supply that we are able to provide hand sanitizer for our residents as well.”

Madison County will bring sanitizer to the designated distribution sites which will be set up in a drive through fashion. It is important for residents to remember to continue following social distancing recommendations, please remain in your car and wear a face covering. Madison County staff involved in the distribution process will be wearing face coverings, as well.

For more information about the novel Coronavirus, visit Madison County at <https://www.madisoncounty.ny.gov/2479/Coronavirus-COVID-19>, or call the Madison County non-medical COVID-19 Hotline at 315-366-2770.
