## **Potential Public Exposure to COVID-19 at Red Apple**

**Wampsville, NY** – Madison County Health Department has confirmed that an individual who visited the Red Apple in Oneida, NY has tested positive for COVID-19. Members of the public who visited the Red Apple on June 21, 2020 between 6:00 PM and 7:30 PM should self-monitor for symptoms.

### **Red Apple**

129 Main St.

Oneida, NY 13421

“After conducting an investigation to identify all close contacts, it was determined this individual visited the Red Apple on June 21, and was not wearing a face covering,” said Madison County Public Health Director Eric Faisst. “Anyone who visited the store during the identified time frame should monitor themselves for symptoms of COVID-19 until July 5, 2020. Those symptoms include fever, cough, chills, muscle pain, sore throat, new loss of taste or smell, and/or difficulty breathing. If symptoms develop, please stay home and contact your doctor for guidance on testing. In an emergency please call 911.”

Madison County is now in Phase 3 of reopening, it is important that residents remain diligent and continue to do their part to limit the spread of COVID-19. Please protect yourself and others by wearing a face covering when you are out in public especially when they are unable to maintain social distancing. Also, please practice good hygiene. These guidelines are for all of our protection to stop the spread of COVID-19 in our community.
