SUNY Upstate to Brings Mobile Testing Clinic back to Wampsville

Wampsville, NY – Madison County announced today that SUNY Upstate Medical University will provide another mobile testing clinic in the community. Upstate is bringing their Mammography Van, which has been outfitted to administer a COVID-19 nasopharyngeal diagnostic test, back to Wampsville, NY on Thursday, July 2, 2020.

Individuals, who would like to be tested should call 315.464.2582 choose option zero to set up an appointment if they would like to be tested. For more information you can go to <https://www.upstate.edu/emergencymgt/trending/coronavirus/mobile-testing-clinic.php>.

Thursday, July 2, 2020

- Madison County Complex – 138 N. Court St. Wampsville, NY
- 10:00 AM – 4:00 PM
- Must make an appointment, please call 315-464-2582

Testing is free and available to anyone who is interested.

This is the sixth testing clinic that SUNY Upstate has brought to Madison County. In the past they have provided testing in Wampsville, Morrisville, Chittenango, and Madison.

The Madison County Health Department would like to remind everyone that as we continue to reopen, please wear a cloth face covering when you are unable to maintain social distancing and practice good hygiene. This virus is still in our community and we must all work together to limit the spread and protect each other.

For more information, visit <https://www.madisoncounty.ny.gov/2479/Coronavirus-COVID-19>.
