It is important that residents remain diligent and continue to do their part to limit the spread of COVID-19. Please protect yourself and others by wearing a face covering when you are out in public, especially when you are unable to maintain social distancing. Also, please practice good hygiene. These guidelines are for all of our protection to stop the spread of COVID-19 in our community.

Madison County partners with SUNY Upstate to hold COVID-19 diagnostic mobile testing clinics. Testing is available to anyone interested at no cost to the patient, however they are by appointment only. Anyone who would like to be tested should **call 315-464-2582 select option 0** to set up an appointment. They are experiencing longer than usual wait times, so please be patient and remain on hold to book an appointment.
