Anyone who visited any of these locations during the identified times should monitor themselves for symptoms of COVID-19. Those symptoms include fever, cough, chills, muscle pain, sore throat, new loss of taste or smell, congestion or runny nose, nausea or vomiting, diarrhea, and/or difficulty breathing. If symptoms develop, please stay home and contact your doctor for guidance on testing. In the event of an emergency, please call 911.

It is important that residents remain diligent and continue to do their part to limit the spread of COVID-19. Please protect yourself and others by wearing a face covering when you are out in public, especially when you are unable to maintain social distancing. Also, please practice good hygiene. These guidelines are for all of our protection to stop the spread of COVID-19 in our community.

Madison County partners with SUNY Upstate to hold COVID-19 diagnostic mobile testing clinics. Testing is available to anyone interested at no cost to the patient, however they are by appointment only. Anyone who would like to be tested should **call 315-464-2582 select option 0** to set up an appointment. They are experiencing longer than usual wait times, so please be patient and remain on hold to book an appointment.

Thursday, November 19, 2020
