**REPORT OF TEST**

For: New York State Police Crime Lab  
Building 22, State Campus  
Albany, NY 12226  
(Troop D)

The item(s) listed below have been compared to standards of New York State which are traceable to national standards at the National Institute of Standards and Technology. The standards used are part of a comprehensive measurement assurance program for ensuring continued accuracy and measurement traceability within the level of uncertainty reported by this laboratory. The state test number identified above is the unique report number to be used in referencing measurement traceability for artifacts identified in this report only.

These items conform to specifications and tolerances for linear measures as per Federal specification GGG-R-791F.
