She is asking the town to please remove the curb.

**Supervisor Stokes reported:** The American Rescue Funds application has been approved and the town shall be receiving funds from the State next month. **Notes and Communication:** Supervisor Stokes relayed the discussion, Madison County Board of Supervisors had, regarding Solar and Wind energy. Neither the County or supervisors oppose Solar or Wind Sites, but opposes the New York States regulatory authority, granting the Office of Renewable Resources to write a law, which in essence, overwrites home rule authority. This law can circumvent any towns Zoning Laws. Mr. Stokes further stated, several towns are suing the State over this issue and recommends that Smithfield does the same, when the times comes.

With no further business, on a motion made by Councilperson Richard Looft seconded by Councilperson Brenda Goff the meeting was adjourned at 8:00pm. Carried unanimously.

**Respectfully Submitted**

**Janice Sebring,  
Town Clerk**
