

Name: Travis J. Hall, Ph.D.

First Appointed: January 2017

Term Expires: December 2022

Profession/Day Job:

Clinical psychologist in primary care, Community Memorial Hospital

Relevant Degrees/Life Experience/Volunteer Activities:

- BA in Psychology/Philosophy from Allegheny College
- Ph.D. in Clinical Psychology from Duquesne University
- Pre-doctoral internship completed at SUNY Upstate
- Born and raised in Madison County
- Currently accruing post-doctoral hours necessary for NYS licensure

Health Philosophy:

I believe that good health requires attending not only to the physical but also to emotions, behaviors, and relationships. I believe that the prevention and early intervention of adverse childhood experiences is essential for improving population health. In order to improve population health, it is imperative that we increase access to services that enhance the strengths and support of individuals, families, and communities.
