**\*Democrats caucus for all Villages listed except for Chittenango**

*Sect. 6-136 Designating petition signature requirements are calculated based on 5% of the active enrolled voters of the political party in the political unit or the following, whichever is less*

*Sect. 15-108 (6) An independent nominating petition for a village office must be signed by at least one hundred voters in villages containing a population of five thousand or more; by at least seventy-five voters in villages containing a population of three thousand and less than five thousand; and by at least fifty voters in villages containing a population of one thousand and less than three thousand; and in villages containing a population of less than one thousand voters numbering at least five per centum of the number of registered voters in the village at the time of the last regular village election. For the purposes of this section, the population of a village shall be determined by the last federal decennial or local special population census federally supervised pursuant to section twenty of the general municipal law.*
