

Welcome to ConnectEBT.com

We're updating our EBT website domain name and home page.

Beginning May 2016, we will be introducing a newly designed EBT website home page. The new design will improve the user experience in addition to presenting our capabilities with a contemporary look.

ConnectEBT.com — our new EBT website domain name.

We're retiring our vintage domain name (ebt.acs-inc.com) with our new name, ConnectEBT.com beginning in May 2016.

Our new domain name is not only easier to remember, it reinforces our branding and position in the market place as the leader in EBT disbursement and payment solutions.

The retired domain name will automatically redirect to ConnectEBT.com.

We will permanently redirect anyone using the retired ebt.acs-inc.com domain name automatically to ConnectEBT.com, including all related pages.

Printed materials such as plastic cards, card carriers, disclosures, brochures, etc. will be updated with the new domain name at normal reprint cycles.

Our updated ConnectEBT.com home page is easier to use and remember.
