Madison County increases price of Solid Waste Punch Cards

Wampsville, NY – On Tuesday October 9, 2018 the Madison County Board of Supervisors approved a resolution that would increase the 2019 Solid Waste Punch Card by twenty cents per punch to \$3.00 per punch or \$15.00 per Solid Waste Punch Card (each card includes five punches).

This change comes due to the increase in cost to managing the waste brought to the landfill in Lincoln.

Unlike previous years, punch cards purchased prior to January 1, 2019 will be honored. So if a resident has a punch card has not been used up yet they can still use that at the landfill.

Solid Waste Punch Cards may be purchased from the Solid Waste Office and Board-authorized vendors. The full list of authorized punch card vendors is available at: <https://www.madisoncounty.ny.gov/Faq.aspx?QID=273>.

The new Solid Waste Punch Card fee takes effect January 1, 2019.
