

## RESOURCES

**There are several community organizations, who are currently addressing this issue.**

### Co-Creating Well-Being: Supporting Children and Families through Trauma

Health Foundation for Western & Central New York [<https://hfwcny.org/program/co-creating-well-being/>]

- Provide training, skill development and technical assistance to increase the knowledge, the number and range of providers informed on ACEs and trauma-informed care
- Introduce and train human-centered design to providers to support new and effective ways to engage with community and to “design with and not for” intended customers
- Increase type and number of available interventions and programs that address the impact of ACEs

### Community Action Partnership

In addition to CAP’s programs, they also developed a community resource guide available here: <https://capmadco.org/wp-content/uploads/2019/06/2019-CAP-Madison-County-Resources-Booklet.pdf>. Canastota: 697-3588 or Morrisville: 684-3144.

### Family Counseling Services of Cortland County, Inc. (Oneida Office)

In addition to regular services, this organization hosted a training for local community partners on ACE Response Training with Dr. Heather Larkin [<https://fscortland.org/ACE+Response>].

### Liberty Resources Help Restore Hope Center

The center provides services for survivors, education, and prevention efforts (e.g. domestic violence, child abuse, dating violence) [<http://www.victimsofviolence.org/>]. Free services and programs offered:

- 24 Hour Hotline 1-855-966-9723
- Emergency Housing Assistance for Survivors
- Short-Term Crisis Counseling and Therapy
- Information & Referrals
- Sexual Assault Nurse Examiner (SANE) Project
- Support Groups
- Community Education & Professional Training
- NYS Office of Victims’ Services, Crime Victims Assistance Provider

### Madison County Department of Health

- Maternal Child Health program: experienced nurses offer home visiting services to pregnant or new parents to offer support, education, and connect families to community resources.
- Children with Special Health Care Needs: assists families of children (0-21 years), who have or may have a physical, developmental, or emotional condition. Information, referral and follow-up services are provided to help access resources and healthcare coverage
- Community Health Worker services: assists individuals or families connect with appropriate community resources

*Please call the main DOH line for any inquiries (315) 366-2361*

### Madison County Department of Social Services

- Fatherhood Connection: 14-week program designed to introduce ACEs topic, increase men’s self-sufficiency, and provide skills for parenting, communication, discipline, anger management, problem-solving, and maintaining healthy relationships.
- Parenting classes: 12-week course to build positive parenting skills, cope with stress, and recognize goals of misbehavior
- Safe Harbour program: offers supportive services to youth who have been trafficked, exploited, or are at-risk.
- School Services Program: offers a single point of contact for children and their families facing difficulties in and out of school

*Please call the main DSS line for any inquiries (315) 366-2548*

### Madison County Mental Health Department

The County’s Mental Health Department provides the following related services:

- Child / Adolescent Group Services—focus on improving skills to cope with stress, emotions, and interpersonal conflict
- Mental Health Clinic—Outpatient Clinic provides the entry point for persons requesting any type of Mental Health services

### NYS Early Childhood Advisory Council

Comprised of experts in education, health care, child welfare and mental health, this group provides strategic direction and advice to the State of New York on early childhood issues [<http://www.nysecac.org/>].

### ProjectTEACH

This program aims to strengthen and support the ability of New York’s pediatric primary care providers (PCPs) to deliver care to children and families, who experience mild-to-moderate mental health concerns [<https://projectteachny.org/>].

### Suicide Prevention Coalition

This collaborative, led by BRIDGES, hopes to raise awareness and reduce the rate of suicide through trainings, resource materials, support groups, and speaker events [<https://www.bridgescouncil.org/suicide-prevention>].

### Triple P: Positive Parenting Program

This online training program provides a toolbox of parenting strategies to raise happy and healthy kids, ages 0-16 years [<https://www.triplep-parenting.com/us/triple-p/>].
