

Notice – Information Available on Madison County’s Proposed Agriculture and Renewable Energy (ARE) Business Park

Madison County is proposing to develop an Agriculture and Renewable Energy (ARE) Business Park in the Town of Lincoln, on county-owned lands adjacent to the county’s solid waste management facility. The County is preparing a Generic Environmental Impact Statement for the proposed ARE Business Park, and is requesting public comments on specific environmental issues or areas of concern relative to the proposed ARE Business Park. Comments may be submitted at a public scoping meeting to be held on March 7, 2011 at 7:00PM at the Madison County Office Building in Wampsville. Click on this link for more information on the proposed ARE Business Park:
