RE: Carpool Information Links posted at Madison County website

Everyone has been affected in one way or another by the ever increasing rise in gasoline prices and affordable transportation continues to elude many residents.

With these concerns in mind, as well as the increased desire of many residents to live a 'greener' lifestyle, carpooling has once again become an alternative for many.

In an effort to help residents cope with these concerns, Madison County has posted links to several different carpooling websites. To access these sites go to [www.madisoncounty.org](http://www.madisoncounty.org) under News & Press Releases to locate the links.

Some of the links discovered by the Family Self Sufficiency Program Coordinating Committee (FSSPCC) as subcommittee of the Housing and Urban Development Public Housing Agency (HUD PHA) are: [carpoolconnect.com](http://carpoolconnect.com), [eRideshare.com](http://eRideshare.com), and [carpoolworld.com](http://carpoolworld.com).

If you know of other carpooling websites that may be of interest, please contact Sharon Driscoll at 366-2788 or by fax at 366-2789 and the information will be posted on the County website. Keep in mind – you must be 18 years of age to use these websites. These links are provided as a helpful tool for Madison County residents. By using this service you agree that Madison County and related persons are in no way responsible for your safety, belongings, travel arrangements or any other liability with regard to use of any of the carpooling links provided. And as always, use common sense; don't travel with someone you don't trust.
