Please plan on attending one of the informational sessions to learn:

- What is ***Youth Development Program*** funding
- Who can apply for this funding
- What types of programs are eligible to receive funding under this new funding stream

***The 2014 Request for Proposals (RFP)  
for Youth Development Program funding will be reviewed.***

It is recommended that all not-for profit youth services providers and municipal recreation coordinators plan to attend one of the informational sessions to learn about this new Youth Bureau administered ***Youth Development Program*** funding stream.
