

To fill out the Registration—

Fill in all the information, #1- 15

- #1 & 2** You have to answer these two questions in order for us to process your registration.
- #7**
- a) If you are registering from your home (where you live while not in school) and checking the absentee box (#14), this is your home (not school) address.
 - b) If you are registering from your school and planning on voting at the pollsite in Madison County this is your school address (Street address, Dorm name, Room#).
 - c) If your home address and school address are both in Madison County, you can not vote absentee. Registering from either school or home, you will have to vote at your designated pollsite.
- #8** This is your school mailing address, whether you choose a or b above. If you are living at home or a have a residence in Madison County, this will be the same as the address in #7 and can be left blank (unless you have a PO Box).
- #9,10,11** Just skip if you're a new registrant.
- #12** Due to HAVA requirements all new voters who apply by mail must supply verifiable ID. Please fill in either the last four digits of your Social Security number or your driver's license ID number. Unless we can verify one of these numbers, you will have to show ID when you vote at the polls (if voting absentee your ballot will be counted even without the information).
- #13** Choose a party. If you do not wish to enroll in a party check the box that reads 'I do not wish to enroll in a party'.
- #14** Check the box for an Absentee Application if you will not be in the County you are registered from on Election Day. If you are interested in working as an Inspector on Election Day, please contact our office at 366-2231.
- #15** Neatly sign and date the registration.
