VACANCY ANNOUNCEMENT

HEALTH STATISTICIAN

Madison County seeks a full-time Health Statistician responsible for coordinating the social, economic and statistical data collection and analysis functions, as mandated by the New York State Department of Health. The incumbent designs, plans and implements data analysis systems, which investigate the nature and extent of health care needs; evaluating proposed or existing health services and techniques; and evaluating the effectiveness of health programs through data collection and analysis. Supervision may be exercised over interns.

Minimum Qualifications: Either:

- (A) Graduation from a regionally accredited or New York State registered college or university or one accredited by the New York State Board of Regents to grant degrees with a Master's degree in Epidemiology, Biostatistics, Statistics or a closely related field; OR
- (B) Graduation from a regionally accredited or New York State registered college or university or one accredited by the New York State Board of Regents to grant degrees with a Master's degree in Public Health or a closely related field, which shall have included a minimum of ten (10) credit hours in biostatistics, statistics and/or epidemiology AND one (1) year of full-time paid, or its part-time equivalent, experience in technical or quantitative public health research or biostatistical analysis.
- (C) Graduation from a regionally accredited or New York State registered college or university or one accredited by the New York State Board of Regents to grant degrees with a Bachelor's degree in biostatistics, statistics or a closely related field AND three (3) years of full-time paid, or its part-time equivalent, experience in technical or quantitative public health research or biostatistical analysis.

2016 Hourly Rate: \$23.70/hr (37.5 hours/week). Please send cover letter, resume and [application](#) by November 11, 2016 to: Madison County Personnel Department, P.O. Box 636, Wampsville, NY 13163. EOE
