

PUBLIC HEALTH NURSE – PREVENTIVE DIVISION

Public Health Nurse sought for full-time position with the Madison County Health Department Preventive Division. This is a professional nursing position, which involves responsibility for performing nursing services requiring substantial specialized judgment and skills including assessments for Maternal Child, Lead, and TB contacts in addition to follow up home visits to evaluate, refer and link clients to available community services. Position may also include communicable disease investigations and administering shots during Immunization clinics. NYS licensure, current registration, NYS driver's license, and Bachelors' degree in Nursing are required. Minimum Hire Rate: \$22.75/hr. Excellent fringe benefits including health insurance and NYS Retirement offered. Phone inquiries to Eric Faisst, Director of Public Health (315) 366-2361. Please send cover letter and resume to: Madison County Personnel Department, PO Box 636, Wampsville, NY 13163. EOE
