RE: Open Enrollment for Madison County Agricultural Districts

Dear Landowner:

I have enclosed a copy of the County's Agricultural District Survey form which we will need you to complete and return to us since you wish to be added to the nearest Madison County State-certified Agricultural District. This information will be kept strictly confidential.

Each Agricultural District has an 8-year recertification review. For additions to Agricultural Districts not up for their 8-year recertification review, Madison County's annual open enrollment month is October. The form would need to be postmarked by October 31<sup>st</sup>. We have enclosed a pre-addressed envelope for your convenience. An Agricultural District Fact Sheet is also enclosed.

We will keep you informed as the process progresses.

Sincerely,

Mary Ellen Rose
