

# OPERATION COMMUNITY CLEANUP: Mosquito Habitat Search & Destroy

Join your community in the **fight against mosquitoes** this summer to:

- Protect your family
- Improve outdoor enjoyment

- D**ump and drain any container holding water
- E**liminate mosquito breeding areas and standing water
- E**ncourage friends and neighbors to do same
- T**ake and apply **mosquito repellent\*** when outside to prevent bites

\*Use repellent with an active ingredient effective against mosquitoes like DEET, Picaridin, or IR 3535

To learn more about mosquito bite prevention and diseases mosquitoes may spread locally, **visit Madison County Health Department at [healthymadisoncounty.org](http://healthymadisoncounty.org) or call 366-2526.**
