RE: Commercial Solid Waste Haulers can now pay with credit and debit cards

Exciting news for commercial solid waste haulers doing business with the Madison County Department of Solid Waste: monthly invoices or daily tickets can now be paid with a credit or debit card through the LexisNexis – Vital Chek Network, Inc. system.

Commercial haulers who choose to use the new service can pay with credit or debit card in person at the Landfill's main office on Buyea Rd. in the Town of Lincoln. There is a service charge or convenience fee for the use of this service. The fee for this service is \$2.50 or 3.5% of the transaction, whichever is greater. However, it should be noted that the use of a VISA Card carries a **fee of \$85.00 per transaction.**

The LexisNexis – Vital Chek Network, Inc. system accepts valid MasterCard, Discover card, Visa or American Express credit cards as well as most major debit cards.

The benefits of using Debit/credit card counter payments are:

- Convenient payment options for in person payments
- Reduces the need to handle cash
- Reduces bad checks
- Immediate authorization

For further information call 1-800-721-2208.
