

One of four groups of The Vintage Chevrolet Car Club of America members pose in front of the solar array at the Madison County Landfill. The solar array was installed on the southern facing slope of the west side landfill in 2011. Landfill staff hosted and gave tours for approximately 150 Vintage Chevrolet Car Club members as part of their 2014 tour of Central and Northern New York.

John Pritchard of Canastota with Fran Brouque and their little dog Charlie attended the Vintage Chevrolet Car Club Tour at the Madison County Landfill on September 10, 2014. Special thanks to John for all his hard work coordinating the car club visit to the landfill.

Vintage Chevrolet Cars rolling in to the Landfill for their tour on September 10, 2014.

Vintage Chevrolet Cars line up in front of the Alternatives Recycling Center for a tour on September 10, 2014.
