The "Buy Madison Program" is sponsoring a local Madison County event called "First Wednesday." Every first Wednesday of the month a different local business will be in the spotlight. Demonstrations, samples, expanded hours, specials, and more!

We're starting out the 2016 year with the Buy Madison First Wednesday business spotlight at Bird Brook Bed & Breakfast located at 133 West Genesee St in Chittenango. The newly decorated rooms are very spacious, some offering private baths and one downstairs with a private entrance. You can sit back and relax on the back porch, enjoy the babbling brook and watch the many species of birds. In the winter enjoy a relaxing evening in front of the beautiful stone fireplace in the parlor. Each room is equipped with Wi-Fi and a writing desk. Our formal dining room welcomes guests each morning for breakfast: on weekdays an expanded continental breakfast and on weekends a full brunch style breakfast prepared by your host, Terry Lee an experienced and creative cook.
